

## Falkland Islands Philatelic Study Group

We were founded in 1970; our members worldwide collect Falkland Islands and Dependencies stamps and postal history.

We have regional meetings and a weekend meeting in March, two auctions a year plus optionally an exchange packet.

You will also receive our quarterly journal "Upland Goose".

We welcome everyone interested in collecting the beautiful stamps and postal history of the Falklands, from beginners to advanced collectors.

We also believe that we are a friendly bunch!
